OLD SETTLERS' DAY

MRS. ELI CONKLIN GETS PRIZE AS OLDEST SETTLER.

HAS LIVED HERE 77 YEARS

James Waugh Oldest Man Registered, Cathern A. Walker Oldest Woman, John Brown Oldest Soldier.

Prizes Awarded.

Oldest settler—Martha Jane Conklin, age 84 years, came to Nodaway county in 1835 and has resided here since that time, or seventy-seven years. Prize of \$5 given.

Oldest soldier—John Brown, age 88, came to Nodaway county in 1837. Served three and a half years in the confederate army. Prize of \$5 given.

Oldest man—James Waugh, age 91, came to county in 1854. Prize of \$5 given.

Oldest woman—Cathern A. Walker, age 90, came to county in 1850. Prize of \$5 given.

The above are those that were given prizes on old settlers' and old soldiers' day, Tuesday. A large number were in the city and registered in this contest. The judges made the awards Tuesday evening.

The oldest settler registered was Martha Jane Conklin, widow of Eli Conklin, and so far as known there is no one in the county who has spent a longer continuous time here than Mrs. Conklin, who settled with her parents on Mozingo branch seventy-seven years ago.

Mrs. Conklin, now 84 years of age, is remarkably active and spry for one who has seen so much of life and drove into Maryville with her son-in-law, Joe Holloway Tuesday morning to register and visit with the other old settlers. She was born in East Tennessee, in Campbell county, in 1828, and after a short time spent in Virginia her father moved, when she was only 7 years old, to Nodaway county, Missouri, to try his fortunes in the new and undeveloped wilds of the far west.

They picked out a piece of land and, as was the custom in the early day, located it where water and timber were within easy reach. They had for their neighbors only the roving bands of Indians that were plentiful in this country at that time. According to Mrs. Conklin's recollection it was three years before they laid eyes on another white person.

There were no schools, railroads or churches in the county at that time and people found it hard to make a living on the best lands, because there was no market for the products of the soil. There was no one to buy.

Mrs. Conklin did her full duty toward the new state. She grew up and married one of the pioneers and became the mother of sixteen children. Eleven grew to manhood and womanhood, but she has outlived all but six, five daughters and one son, James Conklin, also a resident of this country. She has lived to see the Indians disappear and the white man assert his supremacy, to see the wilderness give way to one of the most progressive up-to-date sections of the United States, and to see a remarkable family of fifty-three grandchildren and sixty-nine great-grandchildren grow up about her.

Mrs. Conklin now makes her home with her son-in-law, Joe Holloway, on the old Dr. Bell farm, just south of this city. When they found themselves getting old she and her husband, who died some years ago, made arrangements for their care and keep for the remainder of their days. She seems happy and good for several years yet, and in company with other members of the family sat for a picture in which were represented four generations.

John Brown, who won the prize for being the oldest soldier in the county, is the father of Mrs. E. E. Tilton of this city. He came to Nodaway county in 1837 and has been a resident here ever since, most of the time being in the country near Skidmore. He served in the civil war three and a

DIED FROM BURNS GOOD HORSE SHOW

MRS. JAMES WELLS OF NEAR HOPKINS DIED TUESDAY EVENING.

BURNED BY GASOLINE THE WEDDING THURSDAY

Thought She Was Building Fire With Coal Oil Monday and Was Fatally Injured.

Mrs. James Wells, who was fatally burned Monday morning about 7 o'clock while starting the fire in the cook stove, died at the Wells home, six miles east of Hopkins Tuesday evening at 6 o'clock. Mrs. Wells did not regain consciousness from the time of her injuries.

When getting ready to start the fire Mrs. Wells asked her little daughter to bring her some coal oil to assist in starting the fire. The little girl made a mistake in the cans and secured gasoline instead of coal oil. When the match was touched to the kindling the flames leaped over the walls of the kitchen and set the house on fire.

Mrs. Wells was standing by the stove and received the full force of the explosion. She was so badly burned that the physicians, Drs. Large and Kirk of Hopkins, gave no hope to the family for her recovery.

Mr. Wells and one of his sons and the little girl were burned some in putting out the fire, but they will soon recover.

The funeral services will be held Thursday afternoon at 3 o'clock at New Hope Baptist church.

Mrs. Wells' maiden name was Bonnie Byrn. She was a native of this county and was 41 years old the 14th of April last. She was married in 1891 to her husband, and they have lived on their farm, east of Hopkins, since that time. Five children were born to them, all of whom survive and live at home—Frank, George, Ethel, Esther and Bryan. Mrs. Wells also leaves two sisters and two brothers, Mrs. Joseph McKee of Hopkins, Mrs. Robert McKee of Bell, Mo.; Perry and Thomas Byrn of Sheridan.

Ring No. 1—Best grade weanling draft colt—W. F. Hartman of Barnard, first; John Appleby, second; John Yates, third.

Ring No. 2—Best pure bred or grade weanling draft colt—J. F. Roelofson, first and third; W. F. Hartman, Barnard, second.

Ring No. 3—Best single draft mare or gelding, 3 years old or over—J. F. Roelofson, first and second; John Deardorf, third.

Ring No. 4—Best draft team, mares or geldings—J. F. Roelofson, first; John Deardorf, second; no third as there were only two entries in this ring.

Ring No. 5—Best draft stallion, any age or breed—W. F. Burks, Pickering, first; J. F. Roelofson, second; Wilson Bros., Barnard, third; O. J. Willhoit, fourth; Felix Johnson, Clyde, fifth.

Ring No. 6—Best standard or saddle bred stallion—G. S. Lawson, Ravenwood, first; Charles Calames, Skidmore, second; no third prize as there were only two entries.

Ring No. 7—Best jack, any age—G. S. Lawson, Ravenwood, first; Wilson Bros., Barnard, second; Albert Carr, third.

Ring No. 8—Best draft team, mares or geldings—J. F. Roelofson, first; Wilson Bros., Barnard, second; Albert Carr, third.

Ring No. 9—Best team, mares or geldings—J. F. Roelofson, first; Wilson Bros., Barnard, second; Albert Carr, third.

Ring No. 10—Best team, mares or geldings—J. F. Roelofson, first; Wilson Bros., Barnard, second; Albert Carr, third.

Left for Texas.
Mrs. P. T. Gubbel and children of Thompson, Texas, left for their home Tuesday evening, after a two weeks' visit at the home of Mrs. Gubbel's sister, Mrs. William Doffing, 120 South Prairie street.

VERIFY IT.

The Proof is in Maryville, Almost at Your Door.

The public statement of a Maryville citizen is in itself strong proof for Maryville people, but confirmation strengthens the evidence.

Here is a Maryville citizen who testified years ago that Doan's Kidney Pills relieved sick kidneys and now states the cure was permanent. Can any sufferer from kidney ills ask better proof? You can investigate. The case is right at home.

Mrs. Mary Wood, 722 East Jenkins street, Maryville, Mo., says: "The public statements given by a member of our family on several occasions in favor of Doan's Kidney Pills were correct in every respect. We have Doan's Kidney Pills on hand all the time and use them whenever we find it necessary. We procured Doan's Kidney Pills at Love's drug store (now Love & Gaugh's drug store), and they brought great relief from kidney complaints."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Miss Margaret McDougal has just returned from a four weeks' visit to friends in Cozad, Neb., stopping for a day's visit in Omaha on her way home.

Money Back Catarrah Remedy.

Dosing the stomach won't kill catarrah germs. Neither will sprays, douches, snuffs or ointments.

The quickest way to kill germs is to breathe deep into the lungs the vaporized air of Booth's HYOMEI.

As this antiseptic air passes over the sore spots infested with Catarrah germs it not only destroys them, but heals the inflamed membrane and stops the discharge of mucus.

Then hawking, spitting, snuffing, crusts in nose and foul breath will disappear, and vile, disgusting catarrh will be conquered.

A complete HYOMEI outfit, which includes a hard rubber inhaler, only costs \$1.00. Extra bottles, if afterward needed, 50c; and the Oread-Henry Drug company is authorized to refund your money if dissatisfied.

The "Net"

is the name of the big fifteen thousand dollar serial story which will appear in the Weekly Kansas City Star soon, for the newspaper rights of which the author received \$15,000. The story, pronounced the greatest this popular novelist has written, will not be published as a book until it has run serially in this newspaper.

The theme is the Italian Mafia, and against that sinister background the author has thrown the softer colors of an absorbing and fascinating love story. The story, while tragic in tone, has the humor, springtiness and action that have characterized his previous successes.

"The Net" will be continued in liberal installments each week, with fifteen powerful illustrations by Howard Giles. The subscription price of the Weekly Kansas City Star is 25 cents a year.

Subscribe now and avoid missing a copy. Address the Weekly Kansas City Star, Kansas City, Mo.

Automobile Insurance

CHAS. HYSLOP

Guest of Mrs. McCommon.

Miss Bertha Walker of Boston, Mass., formerly of Maryville, arrived here Tuesday and is the guest of Mrs. Howard McCommon. Miss Walker is returning to Boston to continue her art work in the Boston Art Institute. She has been spending the summer with her sister, Mrs. John Kugler, in Vancouver, B. C. Miss Walker has become a nartist of note and has some of her work with her at Mrs. McCommon's home.

Resting for a Day.

Mrs. C. L. McCrey of Anderson, Ind., and her maid arrived in Maryville Wednesday for a day's rest on a trip through the south and west.

Arch Evans and B. R. Martin, two leading lawyers of St. Joseph, were in the city Wednesday.

It will take at least six teams to keep the average silage cutter busy. Corn should not be cut down too far ahead or it will dry out too much. Two men should work in the silo distributing the silage with forks. Where a silage distributor is used one man is sufficient. They should keep the silage higher at the walls than in the center and should continually tramp the silage next to the walls. The tramping is especially to keep out the air. When possible allow the machine to stand two or three days and refill to make use of all the capacity. Finish filling the silo by running in a load of grass or weeds. This will rot and seal the top and prevent having to throw out the same amount of spoiled silage.

The silage should feel wet after it is cut in the silo. If the corn is very mature when cut and is therefore too dry add water. A small stream may be run into the blower from a barrel or tank. It is especially important that the silage be well tramped. The blower should be run a few minutes every morning in order to clear the atmosphere before anyone enters the silo.

The above instructions cover the important points in filling a silo.

DON'T PULL OUT THE GRAY HAIRS

A Few Applications of a Simple Remedy Will Bring Back the Natural Color.

"Pull out one gray hair and a dozen will take its place" is an old saying, which is, to a great extent, true, if no steps are taken to stop the cause. When gray hairs appear it is a sign that Nature needs assistance. It is Nature's call for help. Gray hair, dull, lifeless hair, or hair that is falling out, is not necessarily a sign of advancing age, for there are thousands of elderly people with perfect heads of hair without a single streak of gray.

When gray hairs come, or when the hair seems to be lifeless or dead, some good, reliable hair-restoring treatment should be resorted to at once. Specialists say that one of the best preparations to use is the old-fashioned "sage tea" which our grandparents used. The best preparation of this kind is Wyeth's Sage and Sulphur Hair Remedy, a preparation of domestic sage and sulphur, scientifically compounded with later discovered hair tonics and stimulants, the whole mixture being carefully balanced and tested by experts.

Wyeth's Sage and Sulphur is clean and wholesome and perfectly harmless. It refreshes dry, parched hair, removes dandruff and gradually restores faded or gray hair to its natural color.

Don't delay another minute. Start using Wyeth's Sage and Sulphur at once and see what a difference a few days' treatment will make in your hair.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists.

GERM OF HORSE PLAQUE IS FOUND

Discovered by Scientists of Kansas at Hoxie Experiment Station.

KNOWN IN GERMANY 25 YEARS

Never Before Recognized in This Country—Tests in Field Station Now to Find Curative Serum.

Hoxie, Kan., Sept. 18.—The germ that causes the disease in horses which is sweeping Kansas, Nebraska and other states has been found by the scientists of the Kansas agricultural college, who are working in a field station here. It is a germ new to the bacteriologists of this country and, as yet, has been only temporarily classified as a germ of the pasteurella group.

The story of how the germ was found is an interesting one at this time, especially as it is the first time it has been found in this country, and the discovery is doubly important because it definitely fixes the horse plague as Borna's disease, a kind of cerebro-spinal meningitis, well known in Germany the last 25 years, but never before recognized in this country. It also emphasizes the uselessness of all the hundreds of so-called remedies which have been recommended by different persons.

Found in all Dead Horses.

Soon after the horse plague began to spread the Kansas agricultural college in Manhattan established a field station in Hoxie to study the disease. In the first post mortem of a horse that had died of the disease Dr. Haslam found some organisms he had never seen before, and in the first seven post mortems of diseased horses he and Dr. Jackley, working independently on the same cases, found the same strange organism.

"Having found this germ in each of the seven horses we examined that had died of this plague" said Dr. Haslam, "we decided it was the cause of the disease. And I may add that we found in all the diseased horses we have examined since."

"We then decided to try out a bacterin therapy and see if horses could be vaccinated and immunized against this germ, and if so, if they would be free from the disease afterward."

Still Seeking a Preventive.

So far the tests at the field station in Hoxie have not gone far enough to prove anything definite enough to warrant the scientists in recommending the bacterin treatment. They are now using it, however, upon a large number of horses.

The fact that 16 of the horses developed the disease after vaccination, and that all but two of them recovered, is taken to indicate that the bacterin treatment is effective, as the percentage of recoveries ordinarily is only about 10 per cent.

"But," says Dr. Haslam, "we claim nothing yet. We claim only that what we are doing is the only logical thing to do in an effort to find a preventive for this disease."

FIRE MAY HIDE KANSAS MURDER

Body of Aged Man Discovered on Bed in Burned Farmhouse Near Ransomville.

Ottawa, Kan., Sept. 18.—When three neighbors reached the stone farmhouse of William Marks, near Ransomville, at 1:30 o'clock in the morning to check a fire which they had discovered there, the body of Mr. Marks was found on the bare bedsprings, the bed clothing having been burned from under it. Mr. Marks, who was 76 years old, lived alone in the house. A son and a daughter live within a few miles on other farms. The son, William Marks, Jr., called on his father early in the evening and was the last known to have seen his father.

The body was so badly burned that it is impossible to determine whether Mr. Marks may have been shot and the house set fire to cover the crime.

OSAGE OIL LANDS TO BE LEASED

Bids to be Received in Washington on Tract of 100,000 Acres in Oklahoma.

Washington, Sept. 18.—Bids for leases upon 100,000 acres of oil lands belonging to the Osage Indians will be opened November 2 in Oklahoma.

It will be the first tract of 100,000 acres of Osage oil lands opened to lease. A big oil company recently bid for 200,000 acres, but its offer was rejected on the ground that there was no competition.

Any bid will be accepted for 25,000 acres or less from any one company provided it is not a transporter of oil under the interstate commerce commission's ruling as to common carriers.

Reward Bravery in Army.

Washington, Sept. 18.—Secretary of the Treasury MacVeagh awarded a gold medal of honor to Private Henry Hanson, company F, sixth infantry, for extraordinary courage and endurance in saving the lives of a party of comrades who had capsized in a sailboat on Lake Lanao, Mindanao, Philipines, January 28 last.

Wheat Made 54 Bushels.
White Rock, Kan., Sept. 18.—G. A. Ross, living near Lovewell, raised 542 bushels of wheat from 15 acres, or an average of 54 bushels to the acre.

CENTRAL AMERICA GETS A WARNING

This Country Proposes to Put an End to Petty Revolutions.

OTHER COUNTRIES TAKE NOTICE

Instructions From State Department Expected to Create Sensation Throughout Latin America.

Washington, Sept. 18.—The policy of the United States in its relations with revolution torn little neighbors in Central America and the West Indies is clearly defined in an instruction from the state department embodied in a note presented by the minister to the Nicaraguan government, Mr. Weitzel, the text of which was made public by the acting Secretary of State, Huntington Wilson.

The communication is expected to create a profound sensation in Latin America, for while it was addressed to Nicaragua, it will be recognized as a general warning.

Force if Necessary.

America's purpose, the instruction declares, is to foster true constitutional government and free elections, and to end strong moral support will be given to established governments against revolutions based upon the selfish designs of would-be despots and not upon any principal or popular demand.

Force will be used if necessary, in maintaining free communication with and to protect American ministries and legations. That policy already has been adopted in San Domingo, Panama and Honduras.

Mr. Weitzel was directed to present his instructions officially to the Nicaraguan government and unofficially to the revolutionists in that country, and to make it public as an authorized declaration of policy.

To Preserve Peace.

The instruction in part follows:

"The policy of the government of the United States in the present Nicaraguan disturbance is to take the necessary measures for adequate legislation at Managua, to keep open communications and to protect American life and property.

"In discrediting Zelaya, whose regime of barbarity and corruption was ended by the Nicaraguan nation after a bloody war, the government of the United States opposed not only the individual, but the system, and this government could not countenance any movement to restore the same destructive regime. The government of the United States will, therefore, disown any revival of Zelayalism."

The communication closed with a denunciation of Gen. Mena, leader of the present insurrection, whose revolt is declared to have been in flagrant violation of promises, without even the pretense of contending for a principle.

STRAY CHICKEN IS EXPENSIVE

Suit at Macon, Started Over Fowl Several Years Ago, Now Involves Judgment for \$500.

Macon, Mo., Sept. 18.—A 50-cent chicken that some years ago roamed the streets of Excelsior is now chief character in the circuit court here. The action is an attempt by Cynthia Lucas, 65 years old, to show that Dan M. Bruner, 73 years old, can pay her a \$500 judgment, which she obtained on a false arrest charge. Mr. Bruner swore Mrs. Lucas had taken one of his chickens, which was strolling through his yard, and that the chicken was worth 50 cents.

Mrs. Lucas was discharged, and sued for false arrest. A jury gave her \$500 damage, but Bruner claimed that he had no property. The plaintiff is trying to show Bruner conveyed his property to his wife in order to evade judgment.

HUNTED MEN FEARED NO POLICE

"Gyp the Blood" and "Lefty Louie" Stood in Police Headquarters While Detectives Passed

New York, Sept. 18.—For six weeks prior to their arrest, "Gyp the Blood" and "Lefty Louie" walked the streets of New York daily. On one occasion they stood in police headquarters while detectives looking for them passed in and out of the building. For ten minutes the gunmen debated with themselves the wisdom of giving them selves up.

This is the statement given out by ex-Judge Charles G. F. Wahle, who is defending all four gunmen under arrest.

Corn Into Mexico Free.

Washington, Sept. 18.—Farmers in the Southwest will be able to ship corn into Mexico free of duty until the end of this year. The state department received word from Ambassador Wilson saying the decree by virtue of which the duty on corn imported was suspended had been extended until December 30, 1912.

Wheat Made 54 Bushels.

White Rock, Kan., Sept. 18.—G. A. Ross, living near Lovewell, raised 542 bushels of wheat from 15 acres, or an average of 54 bushels to the acre.

FOR A BAD STOMACH PAPE'S DIAEPSIN

Time It! In Five Minutes Gas, Sourness and Indigestion is Gone.

Sour, gassy, upset stomach, indigestion, heartburn, dyspepsia; when the food you eat ferments into gases and stubborn lumps; your head aches and you feel sick and miserable, that's when you realize the magic in Pape's Diaepsin. It makes such misery vanish in five minutes.

If your stomach is in a continuous revolt—if you can't get it regulated, please, for your sake, try Diaepsin. It's so needless to have a bad stomach—make your next meal a favorite food meal, then take a little Diaepsin. There will not be any distress—eat without fear. It's because Pape's Diaepsin "really does" regulate weak, out-of-order stomachs that gives it its millions of sales annually.

Get a large fifty-cent case of Pape's Diaepsin from any drug store. It is the quickest, surest stomach relief and cure known. It acts almost like magic—it is a scientific, harmless and pleasant preparation which truly belongs in every home.

Mr. and Mrs. H. G. Steevey of Amazonia were among the street fair visitors Tuesday.

Advertisements are inserted in this column at the rate of three lines 15 words; three days for 25 cents. For ads longer than three lines one cent extra will be charged for each word in excess of 15. Cash must accompany order for these small amounts.

OLD SETTLERS' DAY

MRS. ELI CONKLIN GETS PRIZE AS OLDEST SETTLER.

HAS LIVED HERE 77 YEARS

James Waugh Oldest Man Registered, Cathern A. Walker Oldest Woman, John Brown Oldest Soldier.

Prizes Awarded.

Oldest settler—Martha Jane Conklin, age 84 years, came to Nodaway county in 1835 and has resided here since that time, or seventy-seven years. Prize of \$5 given.

Oldest soldier—John Brown, age 88, came to Nodaway county in 1837. Served three and a half years in the confederate army. Prize of \$5 given.

Oldest man—James Waugh, age 91, came to county in 1854. Prize of \$5 given.

Oldest woman—Cathern A. Walker, age 90, came to county in 1850. Prize of \$5 given.

The above are those that were given prizes on old settlers' and old soldiers' day, Tuesday. A large number were in the city and registered in this contest. The judges made the awards Tuesday evening.

The oldest settler registered was Martha Jane Conklin, widow of Eli Conklin, and so far as known there is no one in the county who has spent a longer continuous time here than Mrs. Conklin, who settled with her parents on Mozingo branch seventy-seven years ago.

Mrs. Conklin, now 84 years of age, is remarkably active and spry for one who has seen so much of life and drove into Maryville with her son-in-law, Joe Holloway Tuesday morning to register and visit with the other old settlers. She was born in East Tennessee, in Campbell county, in 1828, and after a short time spent in Virginia her father moved, when she was only 7 years old, to Nodaway county, Missouri, to try his fortunes in the new and undeveloped wilds of the far west.

They picked out a piece of land and, as was the custom in the early day, located it where water and timber were within easy reach. They had for their neighbors only the roving bands of Indians that were plentiful in this country at that time. According to Mrs. Conklin's recollection it was three years before they laid eyes on another white person.

There were no schools, railroads or churches in the county at that time and people found it hard to make a living on the best lands, because there was no market for the products of the soil. There was no one to buy.

Mrs. Conklin did her full duty toward the new state. She grew up and married one of the pioneers and became the mother of sixteen children. Eleven grew to manhood and womanhood, but she has outlived all but six, five daughters and one son, James Conklin, also a resident of this country. She has lived to see the Indians disappear and the white man assert his supremacy, to see the wilderness give way to one of the most progressive up-to-date sections of the United States, and to see a remarkable family of fifty-three grandchildren and sixty-nine great-grandchildren grow up about her.

Mrs. Conklin now makes her home with her son-in-law, Joe Holloway, on the old Dr. Bell farm, just south of this city. When they found themselves getting old she and her husband, who died some years ago, made arrangements for their care and keep for the remainder of their days. She seems happy and good for several years yet, and in company with other members of the family sat for a picture in which were represented four generations.

John Brown, who won the prize for being the oldest soldier in the county, is the father of Mrs. E. E. Tilton of this city. He came to Nodaway county in 1837 and has been a resident here ever since, most of the time being in the country near Skidmore. He served in the civil war three and a

half years in the confederate army. In 1841 Mr. Brown located where the town of Graham is now located. There were but few settlers there, and at that time the people did not think the prairies could or would be settled. After going a mile or two from where he settled no more houses were seen until Maryville was reached, and there were no roads except Indian trails to Maryville, and, of course, no bridges. The vicinity of Graham was then a part of Andrew county. There were no schools. The town of Graham was started by his father, Andrew Brown, who platted part of his farm and sold lots and called the place Brownsville, which name it bore until after the civil war.

Mr. Brown was a soldier in the confederate army during the civil war, being under Captain Burris. He took part in the fights at Blue Hills and Lexington, both of which were severe, although not of extensive magnitude. He served three and a half years through the war and was honorably discharged.

Mr. Brown is now making his home in Maryville with Mrs. Tilton.

James Waugh of Barnard was the oldest man to register. He is 91 years old and has lived in the county since 1854. He does not look his years, although he is frail in body.

A close second to Mr. Waugh was John Rasco, also of Barnard, who is only a few months younger than Mr. Waugh. He is quite rugged looking and makes frequent trips to Maryville.

Mrs. Catharine Walker of Maryville, the mother of Mrs. James N. Bryan, was the oldest woman to register. She is 90 years old and has lived in Maryville since 1850. Mrs. Walker is far from being weak and infirm looking. She is animated in expression and speech and shows nice care in dress and manner.

The Old Soldiers.

The following is the list of old soldiers registered, together with term of service and age:

Clinton Allen, aged 83, served ten and a half months.

O. P. Wade, aged 73, served one year and eight months.

J. T. Karr, aged 71, served four years and three months.

Samuel Comer, aged 67, served eleven months.

Joseph H. Scott, aged 81, served two and a half years.

David N. Knox, aged 69, served two years and seven months.

John M. Neal, aged 75, served three months.

John G. Grems, aged 69 years, served three years.

I. M. Wood, aged 75, served four years, two months and twenty-one days.

James M. Wallis, aged 80, served two years.

G. M. Campbell, aged 74, served three years and three months.

Bartholomew Sambo Bostick, aged 78, served three years and twenty-one days.

W. E. McCutchen, aged 72, served one year.

Joseph Jackson, Sr., aged 70, served three years.

John Brown, aged 88, served three and a half years.

J. M. Wiseman, aged 68, served three years.

A. J. Croy, aged 72, served two years and nine months.

G. W. Gordon, aged 66, served one and a half years.

T. B. Ricketts, aged 75, served four and a half months.

Clark Andrews, aged 78, served six months.

John W. Snapp, aged 68, served four months.

Thomas A. Williams, aged 73, served three years and five months.

W. Y. Cox, aged 70, served four years.

Nat Sisson, served four years.

Mathias Lahr, aged 68, served three years.

P. J. Hainey, aged 74, served four years.

William Glaze, aged 78, served four years.

Thomas Holladay, aged 70, served six months.

Peter Shambaugh, aged 80, served five years.

R. D. Jones, aged 76, served three years.

Abe Hagey, aged 79, served six months.

J. B. Gray, aged 80, served eleven months.

Joseph E. O'Neal, aged 67, served two years and eight months.

G. Meur, aged 75, served three years.

H. C. Clary, aged 74, served two years.

DIED FROM BURNS GOOD HORSE SHOW

MRS. JAMES WELLS OF NEAR HOPKINS DIED TUESDAY EVENING.

A NUMBER OF ENTRIES AND MANY FINE ANIMALS.

BURNED BY GASOLINE THE WEDDING THURSDAY

Thought She Was Building Fire With Coal Oil Monday and Was Fatally Injured.

Mrs. James Wells, who was fatally burned Monday morning about 7 o'clock while starting the fire in the cook stove, died at the Wells home, six miles east of Hopkins Tuesday evening at 6 o'clock. Mrs. Wells did not regain consciousness from the time of her injuries.

When getting ready to start the fire Mrs. Wells asked her little daughter to bring her some coal oil to assist in starting the fire. The little girl made a mistake in the cans and secured gasoline instead of coal oil. When the match was touched to the kindling the flames leaped over the walls of the kitchen and set the house on fire.

Mrs. Wells was standing by the stove and received the full force of the explosion. She was so badly burned that the physicians, Drs. Large and Kirk of Hopkins, gave no hope to the family for her recovery.

Mr. Wells and one of his sons and the little girl were burned some in putting out the fire, but they will soon recover.

The funeral services will be held Thursday afternoon at 3 o'clock at New Hope Baptist church.

Mrs. Wells' maiden name was Bonnie Byrn. She was a native of this county and was 41 years old the 14th of April last. She was married in 1891 to her husband, and they have lived on their farm, east of Hopkins, since that time. Five children were born to them, all of whom survive and live at home—Frank, George, Ethel, Esther and Bryan. Mrs. Wells also leaves two sisters and two brothers, Mrs. Joseph McKee of Hopkins, Mrs. Robert McKee of Bell, Mo.; Perry and Thomas Byrn of Sheridan.

The above were the winners at the horse show given at the street fair this morning. The show was a success and there were a large number of entries, taking everything into consideration.

On Thursday morning light harness, saddle horses and mules will be shown. The committee, R. P. Hosmer and J. A. Ford, have received a large number of entries for this day's show and it promises to be much larger and better than today's show. J. W. Ardery of Savannah, who was at Maryville's fair last year with his fine driving team, will exhibit his team at this show. Others from Bolckow, Barnard, Skidmore and a number of places will be here with their horses.

Public Wedding Thursday Afternoon.

The principal event of the street fair will be the public wedding on Thursday afternoon at 2:30 o'clock. The ceremony will be solemnized in the new band stand in the court house yard. The wedding procession will start from the Linville hotel, headed by the Linville band, and the wedding committee, F. R. Marcell, Harry Lyle and Jesse Paulette. Following them will be the wedding party and their attendants in automobiles.

The little flower girls have already been selected and are Lela Maier, Helen Davis, Mary Carpenter, Gladys Morehouse, Dorothy McDonald, Helen Dean, Mary Louise Andrews and Mary Margaret Richey.

The band has prepared to play regular wedding music, and the people will know of the approach of the wedding party by the music. The ceremony will be pronounced by Rev. Claude J. Miller of the Christian church of this city.

The names of the contracting parties will be faithfully kept by the committee until after the ceremony, when their names will be announced.

All of the details of the wedding will be as nicely carried out as at last year's wedding, and the young couple who will take upon themselves the obligation of marriage has been carefully selected and are worthy of the gifts that will be bestowed upon them by our merchants.

The weather forecast promises good weather for Thursday, although a little cool, and it is expected that an immense crowd will be here as usual on our street fair wedding days.

There was a big crowd in the city Tuesday night, and everybody seemed to be enjoying themselves and all of the concessions were liberally patronized. A good crowd was in the city Wednesday, better than usual for the middle of the week, and Wednesday afternoon the crowd was very good. The weather remains so cold that it is having the effect of keeping many from venturing out for long drives, as this is the first severe change since the

(Continued from page 2)

STATE VETERINARIANS LEAVE.
Think Horse Examined Sick From Bad Water and Feed.

Dr. J. W. Conway and S. Sheldon of Columbia, who were here Tuesday to investigate the horse disease that has killed a number of horses in this county, left Maryville that afternoon at 4:30 o'clock for St. Joseph. They only investigated one case here, that of Peter Behm's sick horse.

No definite cause was given by these experts for the sickness, but the horse had spinal meningitis. Owing to the horse having poll evil or fistula the cause of its sickness could not be determined. The horse was killed and was examined by these men in company with Dr. G. H. Leach, deputy veterinarian here. The experts, it is said, are of the opinion that the cause of the sickness is bad water and bad feed.

Dr. Conway, in charge of the experimental work at the veterinary department at the state university, expects to have a serum ready to be treated to the horse that takes this disease. He has examined a number of cases of this sickness. He is of the opinion that it is not a contagious disease, as is also State Veterinary Sheldon.

TO ENDORSE ONLY TEMPERANCE

Anti-Saloon League Held Meeting Tuesday Afternoon to Try to Elect Their Candidates.

A meeting of the county alliance of the Anti-Saloon League held a meeting Tuesday afternoon in the basement of the First M. E. church. There was an attendance of twelve present, and it was decided to use their best endeavor to get only temperance men elected for the offices of state senator, representative, prosecuting attorney, sheriff and the county judges. An expression will be secured from the candidates for these offices, and those having strong temperance views will be endorsed by the league.

Another matter taken up by the league was to raise some money for the purpose of the suit the league now has against W. A. Heller.

As one anti-saloon man said: "We are going to take a part in the election this fall and we are only going to elect those that are for us."

PUBLIC SCHOOLS DISMISSED.

Furnaces Can Give no Heat Now, as They Are Being Fixed—No School Until Monday.

The school board decided Wednesday that no school would be held the rest of the week, owing to the fact that the furnaces in the various school buildings are not now properly heating the buildings. Then at the Central school building a spontaneous combustion of coal in the coal bin occurred Tuesday afternoon, and the fire department was called out. There is more than one hundred tons of coal stored there. The coal was still burning Wednesday morning, but there is no danger to the building, as the coal is in a bin especially for that purpose. At the Franklin and Garfield schools new furnaces have been put in, but are not ready to be used.

The cold weather of the last day or so makes it necessary to heat the school buildings. Then the school board was going to grant a half day holiday on Wednesday, Thursday and Friday on account of the street fair.

Schools will be taken up again Monday and everything will be ready in case the continued cold weather is here.

AN INJUNCTION GRANTED.

By Judge Conn Restraining Children From Removing Remains of Mother to Barnard Cemetery.

Probate Judge W. H. Conn granted a temporary injunction Monday enjoining and restraining Lucy P. and George A. Council and Mary J. and Charles Jackson of Barnard from removing the remains of their mother, Mary Jane Litts, from the Littsville cemetery in White Cloud township to the Barnard cemetery. The suit was brought by Ben F. and Alex Litts. As

Judge W. C. Ellison was out of the city holding court at Albany the matter came up before Judge Conn.

Mrs. L. M. Wilkerson went to Moundville, Mo., Wednesday morning to visit a sister.

Miss Ada McKee of Clyde, Kan., formerly of Maryville, is visiting the family of M. J. LaVelle, and other friends.

MRS. GOLDEN SUES

BRINGS ACTION FOR DIVORCE FROM HER HUSBAND.

COLDEN HAS BEEN AWAY

In Former Suit the Husband Sought Divorce From the Wife, But Withdrew His Suit.

A divorce suit was filed Wednesday afternoon in the circuit clerk's office by Shinabarger, Blagg & Ellison for Mrs. Jessie F. Golden against Charles J. Golden. The case will come up at the November term of circuit court.

Mr. Golden filed a divorce suit in Independence, Jackson county, Mo., some few months ago against his wife, but it was later dismissed by him. Mr. Golden is now at Kansas City, having moved from Maryville to that city a few years ago. While a resident of Maryville Mr. Golden was the owner and editor of the late Nodaway Forum, was president of the board of regents of the Normal, and was the Democratic candidate for state senator from this district in 1908 against Senator Peck, who defeated him.

In the petition filed, Mrs. Golden states that they were married on August 16, 1891, in Nodaway county and that they lived together until August 21, 1911. The petition alleges that the defendant has wholly disregarded his duties as husband and has absented himself from plaintiff without reasonable cause for the space of one year and more. It also claims that the defendant is the owner of real and personal property to the amount of \$40,000. Three children

Roeofson-Sawyers Wedding.

Miss Litta Roeofson and Mr. Paul Sawyers of St. Joseph will be married Wednesday evening at the home of the bride's parents, Mr. and Mrs. Frank Roeofson. The bridal pair will leave on the 8:30 Burlington train for Chicago.

Meeting Postponed.

The Young Ladies' Mission Circle of the First Christian church has postponed its meeting, which was to have been held Saturday afternoon at the home of Miss Hermione Fisher, until Friday afternoon, September 27, when it will meet at the home of Mrs. Arch Frank.

M. I. Circle Tuesday.

Mrs. Walter Mutz entertained the M. I. Circle at her home Tuesday afternoon. The devotions were led by Mrs. B. F. Duncan. Roll call was answered by current events. Mrs. W. B. Christy gave a most complete study of "The Government of Great Britain," and Mrs. W. R. Wells a biographical story of "Queen Victoria and Her Family." Mrs. Omar Catterson acted as critic. Mrs. John E. Cameron was the guest of the Circle. The next meeting will be in two weeks at the home of Mrs. C. B. Roberts.

The Tourists Met Tuesday.

The Tourist department of the Twentieth Century club opened its session Tuesday afternoon at the home of Miss May Orear. The year's study on Germany was opened by a discussion on "Early Germany and Its Tribes," by Mrs. G. H. Colbert. Mrs. Charles Bellows discussed "The Roman Period," Miss Helen Leffler "The Wandering of the Tribes," and Mrs. G. B. Roseberry closed the program with a descriptive paper on "Romantic Heidelberg." Mrs. W. C. VanCleve reported that during her stay in Washington the past winter she had learned her Twentieth Century club program for the year 1911-12 to the year book committee of the Capitol Hill History club. The committee was so pleased with the work that they adopted portions of the Tourists' outline on Holland for their own study for this present year, which goes to show that politicians are not the only things that Washington sends to Missouri for. At the close of the meeting Miss Orear invited the Tourists to remain for a cup of tea. The next meeting of the club will be with Mrs. Ferdinand Townsend on October 15.

GOOD HORSE SHOW

(Continued from Page 1)

extreme hot weather.

The free attractions given are above the standard this year, and it is doubtful whether Maryville has ever witnessed better free attractions. The Cornallis' acrobatic act is simply fine, and is the best that has ever been in Maryville. The bicycle act and also the posing act are good, and the flying DeAllens are up to the standard.

Following are the exhibitors in the vegetable, grain and fruit display. The awards will be made Thursday:

Mrs. W. R. Bosley, beets, big red onions, carrots, large yellow tomatoes. H. England, general display of farm products.

C. L. Evans, squashes.

John O'Connell, corn.

Lawrence Kinney, sweet corn.

C. J. Eckert, oats and rye.

J. R. Holloway, pop corn.

J. W. Holloway, oats.

C. J. Willie, plums, large red and white onions and beets.

D. F. Shupe, six varieties of apples.

T. M. Smith, general display of farm products.

Alex Bailey, six varieties of apples and one of plums.

W. A. Hooper, thirteen varieties of apples.

J. V. Lynch, thirteen varieties of apples, four of plums, one of peaches.

J. D. Ford, five varieties of apples from his famous apple orchard.

H. England, general display of farm products.

Cooper Gooden, damson plums.

Lawrence Ray Here.

Lawrence Ray, who has been at St. Anthony, Idaho, arrived in Maryville Tuesday for a two weeks' visit. His parents, Mr. and Mrs. J. W. Ray, who have spent the past three months in St. Anthony and Boise, are on their way home and are expected to arrive in the city the last of the week.

Doesn't that interest you? Come in and find out all about it.

Victor-Victrolas \$15 to \$200.

Victors \$10 to \$100.

Mrs. S. M. Turner and her son, V. O. Turner, of Coin, Ia., were in Maryville Wednesday on their way to Hopkins to visit Mrs. Turner's daughter, Mrs. C. P. Curry.

KEEP THE CHILDREN'S BOWELS CLEAN NOW

If Tongue is Coated, Stomach Sour, Breath Feverish, Bowels Clogged, Give "Syrup of Figs."

Children dearly love to take delicious "Syrup of Figs" and nothing else cleans and regulates their tender little stomachs, liver and thirty feet of bowels so promptly and thoroughly.

Children get bilious and constipated just like grown-ups. Then they get sick, the tongue is coated, stomach sour, breath bad; they don't eat or rest well; they become feverish, cross, irritable and don't want to play. Listen mothers—for your child's sake don't force the little one to swallow nauseating castor oil, violent calomel or harsh irritants like cathartic pills. A teaspoonful of Syrup of Figs will have your child smiling and happy again in just a few hours. Syrup of Figs will gently clean, sweeten and regulate the stomach, make the liver active and move on and out of the bowels all the constipated matter, the sour bile, the foul, clogged-up waste and poisons, without causing cramps or griping.

With Syrup of Figs you are not drugging or injuring your children. Being composed entirely of luscious figs, senna and aromatics it cannot be harmful. Full directions for children of all ages and for grown-ups plainly printed on the package.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by the California Fig Syrup Co. This is the delicious tasting, genuine old reliable. Refuse anything else offered.

NEW NORMAL PUBLICATION.

"The Pragmatist" is the Now—Do You Know What It Means?

"The Pragmatist" is the name of the new monthly publication issued this week from The Democrat-Forum office by the faculty and members of the Normal school here. Frank H. Shepherd of the manual training department is editor-in-chief and V. L. Moore is business manager.

The subscription price is 25 cents a year, and the new publication will be published monthly in the interest of the Normal. Over 140 subscribers have already been secured.

The salutatory article in the publication follows:

We make no apology for our appearance in the school. There is a need for us which has been felt for some time by the faculty and the student body. Our school has been in the infant class long enough and should now take on all the fads, frills and flourishes of a fully developed Normal! To do this we offer ourselves as a medium through which the better things of school may be nourished, a school spirit engendered, and the better and brighter side of all our school functions brought in closer touch with each other.

We do not ask or intend to take our place in the school as a thing asking alms. We expect to be worth the money and to give value received for each dollar we receive. We have no idea of being a "has-been," but we intend to be an "are." We are not here to represent the "was," but shall devote our energy to the "is." In other words we hope to be classed as a live one.

We intend to greet you once each month of the regular school year, and we expect to be ready for your hearty greeting on the fifteenth day of each month.

We are out to represent the school and as such will endeavor to maintain a standard that will be a credit to the institution. As a representative of the student body we are, in the fullest sense, of the students, for the students, and by the students, and for that reason we desire to meet your highest approval by devoting our best talent to the student life, scholastic, moral, social.

We are here to stay and hope that we may be better acquainted as we increase in age and usefulness.

LETTER LIST.

Following is a list of letters remaining unclaimed in the Maryville postoffice for the week ending Wednesday, September 18, 1912:

Gentlemen.

Bradley, Mr. and Mrs. Thomas. Chappell, S. J. Converse, L. B. Cryder, Arlie. Darley, Clarence. Reesaman, J. B. Ross, Ruben. Scott, S. B. Strickland, T. J. Waly, H. E.

Ladies.

Cross, Mrs. Anna. Davis, Miss Mae. Fitzgerald, Miss Eva. Harris, Mrs. Lucy. Hixon, Bessie. Woodard, Mrs. Mary (2).

Persons calling for these letters will please say "advertised."

S. R. BEECH, Postmaster.

Miss Maud Hill returned Tuesday evening from a visit at Chariton, Ia.

The Biggest Attraction of the Street Fair

Eversoles' Coat Department

THESE cool evenings suggest a need of a new coat. You cannot enjoy the street fair if you shiver. One of our new coats will overcome that feeling and make you comfortable. We have certainly been doing business in this department this week. Those of you who haven't bought cannot afford to stay out of the procession. You will be right at the head of the list if you wear one of our nifty styles. Do not wait too long, the best numbers are going rapidly. Everybody is talking about our Coats—they say it's the greatest line ever shown in Maryville. We saw double when we bought these garments this year. Every coat is an exclusive novelty.

Johnny Coats

Are the hit of the season. Just the garment for the miss. We are showing the nippiest little styles you could wish to see. Don't wait too long.

Ladies' Dresses

Are beginning to arrive. We will show a very large line this season, both in popular priced and better goods. Do not overlook this department. Dresses are the big item in the Ready-to-Wear business. We can fit you with our garments and save you the worry of making.

D. R. EVERSOLE & SON

EASTMAN KODAKS and SUPPLIES at Crane's

F. R. Anthony, M. D.

SPECIALIST.

Practice limited to diseases of the eye, Ear, Nose and Throat, and general consultation. All phones. Of office hours, 8 to 11 a. m.; 2 to 4 p. m.

Guests at the Kuchs Home.

Mr. and Mrs. Richard Kuchs are entertaining a company of relatives, who arrived Wednesday noon. They are Mr. Kuchs' brother and wife, Mr. and Mrs. Charles Kuchs of St. Joseph and their children, Mrs. Charles Floyd of St. Joseph, William Kuchs of Cleveland, O.; Richard Kuchs of Springfield, Ill., and Oscar Kuchs of Salt Lake City. The visitors will be here several days.

No More Dandruff, Falling Hair, Gray Hair.

Men and women—do you want a splendid head of luxuriant hair free from scalp itch and dandruff?

Do you want hair so bewitchingly radiant that it compels the admiration of all who see it?

Do you want a scalp as immaculately clean and bright as a newly minted coin?

If you do, get a 50-cent bottle of PARISIAN Sage today, at dealers' everywhere. The girl with the Auburn hair is on every carton and bottle. Ask for PARISIAN Sage and see that you get it. The Koch Pharmacy guarantees it.

Protection from loss by windstorms, fire or lightning is business, either in country or city. You owe it to yourself and family. Consult me now for special rates and terms, or phone me and I will call.

CHARLES HYSLOP,

General Agent.

Every inch one pushes beyond the normal distance of 12 inches after eye failure begins at 38, means an inch of danger. Ninety-nine persons out of a hundred may do it with safety. You may be the one that can't. The man having the best eyes when old age comes will be the one that needs

OLD SETTLERS' DAY

Left for Texas.
Mrs. P. T. Gubbel and children of Thompson, Texas, left for their home Tuesday evening, after a two weeks' visit at the home of Mrs. Gubbel's sister, Mrs. William Doffing, 120 South Prairie street.

VERIFY IT.

The Proof is in Maryville, Almost at Your Door.

The public statement of a Maryville citizen is in itself strong proof for Maryville people, but confirmation strengthens the evidence.

Here is a Maryville citizen who testified years ago that Doan's Kidney Pills relieved sick kidneys and now states the cure was permanent. Can any sufferer from kidney ills ask better proof? You can investigate. The case is right at home.

Mrs. Mary Wood, 722 East Jenkins street, Maryville, Mo., says: "The public statements given by a member of our family on several occasions in favor of Doan's Kidney Pills were correct in every respect. We have Doan's Kidney Pills on hand all the time and use them whenever we find it necessary. We procured Doan's Kidney Pills at Love's drug store (now Love & Gaugh's drug store), and they brought great relief from kidney complaints."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Miss Margaret McDougal has just returned from a four weeks' visit to friends in Cozad, Neb., stopping for a day's visit in Omaha on her way home.

WHY NOT TRY POPHAM'S ASTHMA REMEDY
Gives Prompt and Positive Relief in Every Case. Sold by Druggists. Price \$1.00.
Trial Package by Mail 10c.
WILLIAMS MFG. CO., Prop. Cleveland, O.
For sale by Orear-Henry Drug Co.

CONGRESSMAN BOOHER HERE.
Was in the City Wednesday Afternoon in Conference With Chairman Dawson.

Congressman Charles F. Booher of Savannah was in the city Wednesday in conference with Chairman John M. Dawson of the county committee and other members of the committee. His visit here at this time is for the purpose of discussing with the committee plans for the coming campaign.

Congressman Booher hopes to be able to have Governor Wilson, the Democratic candidate for president, speak in St. Joseph when he makes his visit to this section of the country.

Automobile Insurance

I have just accepted an agency that protects all lines, any where, all the time, at minimum cost. Fire, theft, accident and property damage. No man can afford a car without protection. See me now.

CHAS. HYSLOP

The "Net"
is the name of the big fifteen thousand dollar serial story which will appear in the Weekly Kansas City Star soon, for the newspaper rights of which the author received \$15,000. The story, pronounced the greatest of this popular novelist has written, will not be published as a book until it has run serially in this newspaper.

The theme is the Italian Mafia, and against that sinister background the author has thrown the softer colors of an absorbing and fascinating love story. The story, while tragic in tone, has the humor, sprightliness and action that have characterized his previous successes.

"The Net" will be continued in liberal installments each week, with fifteen powerful illustrations by Howard Giles. The subscription price of the Weekly Kansas City Star is 25 cents a year.

Subscribe now and avoid missing a copy. Address the Weekly Kansas City Star, Kansas City, Mo.

DON'T PULL OUT THE GRAY HAIRS

A Few Applications of a Simple Remedy Will Bring Back the Natural Color.

"Pull out one gray hair and a dozen will take its place" is an old saying, which is, to a great extent, true, if no steps are taken to stop the cause. When gray hairs appear it is a sign that Nature needs assistance. It is Nature's call for help. Gray hair, dull, lifeless hair, or hair that is falling out, is not necessarily a sign of advancing age, for there are thousands of elderly people with perfect heads of hair without a single streak of gray.

When gray hairs come, or when the

hair seems to be lifeless or dead, some good, reliable hair-restoring treatment should be resorted to at once. Specialists say that one of the best preparations to use is the old-fashioned "sage tea" which our grandparents used. The best preparation of this kind is Wyeth's Sage and Sulphur Hair Remedy, a preparation of domestic sage and sulphur, scientifically compounded with later discovered hair tonics and stimulants, the whole mixture being carefully balanced and tested by experts.

Wyeth's Sage and Sulphur is clean and wholesome and perfectly harmless. It refreshes dry, parched hair, removes dandruff and gradually restores faded or gray hair to its natural color.

Don't delay another minute. Start using Wyeth's Sage and Sulphur at once and see what a difference a few days' treatment will make in your hair.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists, agent Koch Pharmacy.

AND REPAIRING

A PERTINENT QUESTION.

How do you like to be the repairman? Not a very pleasant subject. No doubt the job would ruffle your feelings as well as your clothes.

SAVE A LOT OF TROUBLE.

Bring your car to us for inspection and repairs. This will win in the long run. Have you ever tried our repair service? You will find quick action and low prices.

GERM OF HORSE PLAQUE IS FOUND

Discovered by Scientists of Kansas at Hoxie Experiment Station.

KNOWN IN GERMANY 25 YEARS

Never Before Recognized in This Country—Tests in Field Station Now to Find Curative Serum.

Hoxie, Kan., Sept. 18.—The germ that causes the disease in horses which is sweeping Kansas, Nebraska and other states has been found by the scientists of the Kansas agricultural college, who are working in a field station here. It is a germ new to the bacteriologists of this country and, as yet, has been only temporarily classified as a germ of the *pasteurella* group.

The story of how the germ was found is an interesting one at this time, especially as it is the first time it has been found in this country, and the discovery is doubly important because it definitely fixes the horse plague as *Borna's disease*, a kind of cerebro-spinal meningitis, well known in Germany the last 25 years, but never before recognized in this country. It also emphasizes the uselessness of all the hundreds of so-called remedies which have been recommended by different persons.

Found in all Dead Horses.

Soon after the horse plague began to spread the Kansas agricultural college in Manhattan established a field station in Hoxie to study the disease. In the first post mortem of a horse that had died of the disease Dr. Haslam found some organisms he had never seen before, and in the first seven post mortems of diseased horses he and Dr. Jackley, working independently on the same cases, found the same strange organism.

"Having found this germ in each of the seven horses we examined that had died of this plague" said Dr. Haslam, "we decided it was the cause of the disease. And I may add that we found in all the diseased horses we have examined since."

"We then decided to try out a bacterin therapy and see if horses could be vaccinated and immunized against this germ, and if so, if they would be free from the disease afterward."

Still Seeking a Preventive.

So far the tests at the field station in Hoxie have not gone far enough to prove anything definite enough to warrant the scientists in recommending the bacterin treatment. They are now using it, however, upon a large number of horses.

The fact that 16 of the horses developed the disease after vaccination, and that all but two of them recovered, is taken to indicate that the bacterin treatment is effective, as the percentage of recoveries ordinarily is only about 10 per cent.

"But," says Dr. Haslam, "we claim nothing yet. We claim only that what we are doing is the only logical thing to do in an effort to find a preventive for this disease."

FIRE MAY HIDE KANSAS MURDER

Body of Aged Man Discovered on Bed in Burned Farmhouse Near Ransomville.

Ottawa, Kan., Sept. 18.—When three neighbors reached the stone farmhouse of William Marks, near Ransomville, at 1:30 o'clock in the morning to check a fire which they had discovered there, the body of Mr. Marks was found on the bare bedsprings, the bed clothing having been burned from under it. Mr. Marks, who was 76 years old, lived alone in the house. A son and a daughter live within a few miles on other farms. The son, William Marks, Jr., called on his father early in the evening and was the last known to have seen his father.

The body was so badly burned that it is impossible to determine whether Mr. Marks may have been shot and the house set fire to cover the crime.

OSAGE OIL LANDS TO BE LEASED

Bids to be Received in Washington on Tract of 100,000 Acres in Oklahoma.

Washington, Sept. 18.—Bids for leases upon 100,000 acres of oil lands belonging to the Osage Indians will be opened November 2 in Oklahoma. It will be the first tract of 100,000 acres of Osage oil lands opened to lease. A big oil company recently bid for 200,000 acres, but its offer was rejected on the ground that there was no competition.

Any bid will be accepted for 25,000 acres or less from any one company provided it is not a transporter of oil under the interstate commerce commission's ruling as to common carriers.

Reward Bravery in Army.

Washington, Sept. 18.—Secretary of the Treasury MacVeagh awarded a gold medal of honor to Private Henry Hanson, company F, sixth infantry, for extraordinary courage and endurance in saving the lives of a party of comrades who had capsized in a sailboat on Lake Lanao, Mindanao, Philippines, January 28 last.

Corn Into Mexico Free.
Washington, Sept. 18.—Farmers in the Southwest will be able to ship corn into Mexico free of duty until the end of this year. The state department received word from Ambassador Wilson saying the decree by virtue of which the duty on corn imported was suspended had been extended until December 30, 1912.

Wheat Made 54 Bushels.
White Rock, Kan., Sept. 18.—G. A. Ross, living near Lovewell, raised 843 bushels of wheat from 15 acres, or an average of 54 bushels to the acre.

CENTRAL AMERICA GETS A WARNING

This Country Proposes to Put an End to Petty Revolutions.

OTHER COUNTRIES TAKE NOTICE

Instructions From State Department Expected to Create Sensation Throughout Latin America.

Washington, Sept. 18.—The policy of the United States in its relations with revolution torn little neighbors in Central America and the West Indies is clearly defined in an instruction from the state department embodied in a note presented by the minister to the Nicaraguan government. Mr. Weitzel, the text of which was made public by the acting Secretary of State, Huntington Wilson.

The communication is expected to create a profound sensation in Latin America, for while it was addressed to Nicaragua, it will be recognized as a general warning.

Force if Necessary.

America's purpose, the instruction declares, is to foster true constitutional government and free elections, and to this end strong moral support will be given to established governments against revolutions based upon the selfish designs of would-be despots and not upon any principal or popular demand.

Force will be used if necessary, in maintaining free communication with and to protect American ministers and legations. That policy already has been adopted in San Domingo, Panama and Honduras.

Mr. Weitzel was directed to present his instructions officially to the Nicaraguan government and unofficially to the revolutionists in that country, and to make it public as an authorized declaration of policy.

To Preserve Peace.

The instruction in part follows:

"The policy of the government of the United States in the present Nicaraguan disturbance is to take the necessary measures for adequate legislation at Managua, to keep open communications and to protect American life and property.

"In discrediting Zelaya, whose regime of barbarity and corruption was ended by the Nicaraguan nation after a bloody war, the government of the United States opposed not only the individual, but the system, and this government could not countenance any movement to restore the same destructive regime. The government of the United States will, therefore, disown any revival of Zelayism."

The communication closed with a denunciation of Gen. Mena, leader of the present insurrection, whose revolt is declared to have been in flagrant violation of promises, without even the pretense of contending for a principle.

STRAY CHICKEN IS EXPENSIVE

Suit at Macon, Started Over Fowl Several Years Ago, Now Involves Judgment for \$500.

Macon, Mo., Sept. 18.—A 50-cent chicken that some years ago roamed the streets of Excelsior is now chief character in the circuit court here. The action is an attempt by Cynthia Lucas, 65 years old, to show that Dan M. Bruner, 72 years old, can pay her a \$500 judgment, which she obtained on a false arrest charge. Mr. Bruner swore Mrs. Lucas had taken one of his chickens, which was strolling through her yard, and that the chicken was worth 50 cents.

Mrs. Lucas was discharged, and sued for false arrest. A jury gave her \$500 damage, but Bruner claimed that he had no property. The plaintiff is trying to show Bruner conveyed his property to his wife in order to evade judgment.

HUNTED MEN FEARED NO POLICE

"Gyp the Blood" and "Lefty Louie" Stood in Police Headquarters While Detectives Passed

New York, Sept. 18.—For six weeks prior to their arrest, "Gyp the Blood" and "Lefty Louie" walked the streets of New York daily. On one occasion they stood in police headquarters while detectives looking for them passed in and out of the building. For ten minutes the gunmen debated with themselves the wisdom of giving themselves up.

This is the statement given out by ex-Judge Charles G. F. Wahle, who is defending all four gunmen under arrest.

Corn Into Mexico Free.
Washington, Sept. 18.—Farmers in the Southwest will be able to ship corn into Mexico free of duty until the end of this year. The state department received word from Ambassador Wilson saying the decree by virtue of which the duty on corn imported was suspended had been extended until December 30, 1912.

Wheat Made 54 Bushels.

FOR A BAD STOMACH PAPE'S DIAEPSIN

Time It! In Five Minutes Gas, Sourness and Indigestion is Gone.

Sour, gassy, upset stomach, indigestion, heartburn, dyspepsia; when the food you eat ferments into gases and stubborn lumps; your head aches and you feel sick and miserable, that's when you realize the magic in Pape's Diaepsin. It makes such misery vanish in five minutes.

If your stomach is in a continuous revolt—if you can't get it regulated, please, for your sake, try Diaepsin. It's so needless to have a bad stomach—make your next meal a favorite food meal, then take a little Diaepsin. There will not be any distress—eat without fear. It's because Pape's Diaepsin "really does" regulate weak, out-of-order stomachs that gives it its millions of sales annually.

Get a large fifty-cent case of Pape's Diaepsin from any drug store. It is the quickest, surest stomach relief and cure known. It acts almost like magic—it is a scientific, harmless and pleasant preparation which truly belongs in every home.

Mr. and Mrs. H. G. Steevy of Amazonia were among the street fair visitors Tuesday.
